

## Post Graduate Diploma in Nursing Frequent Questions and Answers

### What does RPL mean?

The term Recognition of Prior Learning is describing the process of identifying and evidencing learning that has occurred outside of formal educational contexts. It is an opportunity for you to be credited for learning that you have done before joining our PGDip Mental Health Nursing programme. It avoids the necessity of duplicating previous learning, whilst ensuring that you have attained the learning outcomes required for this award.

*Prior learning may be certificated or experiential:* Certificated learning is learning ~~that you have~~ completed (e.g. extracts)
